# ABOUT THE STUDIO

---

In 2002, Nicole Aravena founded the Seven Star School of Performing Arts with the goal of offering quality performing arts education in the Brewster area. The curriculum at the school includes numerous areas of dance and competition. The faculty at the Seven Star School of Performing Arts is a unique team of qualified professionals, many certified by test to teach. Many have worked professionally on Broadway, in dance companies, on television, and throughout the entertainment industry. They are dedicated to offering children the best performing arts education possible.

The Seven Star School of Performing Arts production of *The Little Mermaid, Jr.* is the studio's fifth annual main stage production. Following great successes in *High School Musical*, *Annie, Jr.*, *Beauty and the Beast, Jr.*, and *Aladdin, Jr.*, the studio is extremely pleased as the extensive program continues to expand and grow.
