

## CENTERSTAGE STARS

We are thrilled to announce the newest addition to our Musical Theater program for 2017 - 2018 season. CenterStage Stars will be our first Musical Theater Competitive Performing Company. Seven Star School dance program has been attending regional, national and international competitions for the past 15 seasons. We can't wait to have our Musical theater fanatics see what this opportunity is all about. If you love to sing, act, dance and perform, we would love to have you join in on the fun! We are looking for performers who have an interest in expanding their involvement. Auditioning for CenterStage Stars will give you more opportunities to perform, the ability to work in a team environment and a chance to learn and grow as a performer.

The experience your performer will have as part of the SSSPA performance team is unlike any other. What your performer will gain from participating on the team is priceless- both as a performer and as an individual. We truly believe in using competition to inspire, motivate and educate our Seven Star Students in a positive, encouraging environment. Additionally, students learn vital life skills which will help them succeed outside Seven Star School including - time management skills, working towards a goal, gaining confidence through performing and so much more!

If selected for CenterStage Stars you will have the opportunity to compete at 3 regional competitions as well as community performance events. At the regional competitions your children will have the ability to hone their skills and also see the talent that is out there from more than just our school.

Please read through all of the information carefully. There is a lot of it and all of it is important! Please feel free to e-mail us with any questions you may have. We encourage that all questions/concerns you may have regarding the team be directed to only Nicole and Nikki.
